

Request for Proposal RFP 2017-01 Document Imaging and Verification Solution

Addendum #5 – September 18, 2017

Covered California has canceled RFP 2017-01 due to the following:

- It has been determined that Section 6.1, Small Business (SB) Preference and Section 6.2, Disabled Veteran Business Enterprise (DVBE) noted in the RFP could not be applied due to the scoring methodology being used.

Covered California will be re-releasing the RFP and encourages all responders to respond to the new RFP.
