

Covered California has terminated the Navigator Program Request for Application (RFA) that was issued on February 12, 2014. Applicants submitted previously will be “unlocked” and made available for modifications for those organizations that would like to resubmit their application for the Navigator Program Request for Application that was released on June 30, 2014. This document contains helpful information for those organizations that previously submitted an application for the Navigator Program.

ACCESSING YOUR NAVIGATOR GRANT APPLICATION

- Your previous application has been “unlocked” in the online system for your review.
- The username and password previously created is still valid.
 - If you’ve forgotten your username or password, please use the “Forgot Password?” option to reset your information.

2013 © Covered California Grant Application. For more information please contact grantinfo@ccgrantsandassistors.org or call (866) 622-5252

Once you are in the application you will need to do the following:

- Review each step of the application in both Section A and Section B
- Review your initial application responses and make desired edits to funding pool, regions, requested funding, etc.
- Download and discard previously uploaded worksheets
 - The previous worksheets: Navigator Budget, Navigator Workplan and Navigator Staffing Plan are no longer applicable to the current Navigator Program RFA.
- Download current template for “Project Cost Allocation Worksheet,” complete and upload it back into the application system.
- Once the application has been reviewed and all required uploads have been completed, the entire application must be re-submitted. There may be sections that were not

revised, but the entire application must be submitted as a whole to be considered for funding.

UPDATING THE FUNDING POOL SELECTION

If you previously applied for the Targeted and/or Regional Funding Pool, and you'd like to submit an application to a different funding pool, please complete the following steps:

1. Go to Step 6 – Requested Funding in the Application Wizard
2. Delete the Funding Pool(s) you no longer propose to reach
3. Add the Funding Pool(s) you propose to reach

Reminder: only the Funding Pools selected in this section will be the available in Section B.

Progress bar steps: 1. BEGIN APPLICATION, 2. ORGANIZATION INFORMATION, 3. PRIMARY CONTACT, 4. ORGANIZATION ENTITY TYPE, 5. APPLICANT EXPERIENCE, 6. REQUESTED FUNDING, 7. SUBCONTRACTOR INFORMATION, 8. APPLICATION SUMMARY

Warning: Please select and add each Funding Pool / Region from which the applicant intends to apply and indicate the amount requested to achieve Navigator program goals. Applicants will not have access to create applications in Section B for regions or funding pools not selected in this step.
